

## Archery Sight In Range Rules

- This range is primarily for the use of archery sight in and practice.
- Shooting is to be directed at target faces only.
- Loose clothing is to be secured to the shooter.
- Do not nock arrows until everyone is behind the shooting line.
- Keep arrows pointed down range in the direction of the target.
- Wait until all arrows have been shot before retrieving them down range.
- Destroying targets to retrieve arrows is forbidden.
- Absolutely no horseplay will be tolerated.
- Pick up trash when finished.
- Immediately report any unsafe behavior to range officers.

## 3D Archery Range Rules

- Shooting is to be directed at target faces only.
- Do not remove or move targets.
- Shoot only from marked areas.
- No shooting from elevated structures of any type (tree stands, ladders, stumps), except where designated.
- Alteration of the course is prohibited.
- Stay on designated trails.
- No member of a shooting group is to step forward of the position until all members have completed shooting at that particular target.
- When searching for lost arrows, stand your bow crossways in front of the target to indicate your intent.
- Absolutely no horseplay will be tolerated.
- Pick up trash when finished.
- Immediately report any unsafe behavior to range officers.
